**MIAMI-DADE COUNTY, FLORIDA
NOTICE TO PROFESSIONAL CONSULTANTS
MIAMI DADE AVIATION DEPARTMENT
FUELING SYSTEMS CONSULTING SERVICES AT MIAMI INTERNATIONAL
AIRPORT AND GENERAL AVIATION AIRPORTS
PROJECT NO. E14-MDAD-03**

The County Mayor, Miami-Dade County, pursuant to Chapter 287.055, Florida Statutes, Sections 2-8.1 and 2-10.4 of the Miami-Dade County Code, Implementing Order 3-34, and Administrative Order 3-39, announces that the Miami-Dade Aviation Department (MDAD) will require professional engineering services from two (2) qualified consultants for fueling systems consulting services at Miami International Airport (MIA) and the General Aviation Airports (GAA's).

The Scope shall include, but not limited to, design services and preparation of contract documents for the upgrade, maintenance, repair and/or construction of the aviation fuel storage and distribution systems and proposed facilities under MDAD jurisdiction including but not limited to Midfield vehicular gas station, west load rack facility and diesel and gasoline tanks, employee emergency vehicular fuel tank; hydraulic modeling and planning services, value appraisal of aviation fueling system and any other component related to it, equipment, and facilities; emergency consulting services; construction management and inspection services; environmental regulatory project associated with the fuel facility consent orders and agreements; providing recommendations and inspections for maintenance repairs of fueling facilities and reviewing proposed maintenance work estimates; update the fueling Atlas and Master plan, Consulting, design and work site services for any work associated with the fueling systems fire protection and detection systems; CCTV, electrical, structural improvements and other work associated with fueling systems at MIA and General Aviation Airports.

MDAD intends to retain two (2) qualified firms under two (2) separate Non-Exclusive Professional Services Agreements. The two highest ranked firms will be selected and forwarded to the County Mayor for approval to negotiate and award. The term of each contract is for a seven (7) year period. Maximum compensation for each contract is two million dollars (\$2,000,000) plus contingency in accordance with Ordinance 00-65. No minimum amount of work or compensation will be assured to the retained consultant. The County reserves the right to re-use the work products of the retained consultant and to retain other consultants to provide the same or similar services at its sole discretion.

The firms providing these services must be certified in the following technical categories and the respective percentages of the disciplines as indicated below:
